

CSE 5347.7347

HW5

Due: Feb 22 (Feb 25 distance)

Write XSLT that will generate an HTML document that displays your CD Catalog.

The output should be of the form:

Catalog

CD: Hello World BY James Brown 1999

CD: Happy Days BY Bob Seeger 1998

...

Submit to BB:

A PDF that contains:

- HW5 your name
- your XML
- your XSLT
- screenshot of output in Browser

You may either create a separate file of the output to display OR (preferred) try and get the browser to do the transform for you.
